About This Game

Step into a stunning make-believe world in the first 3D hidden object adventure! The king's daughter has turned into a man-eating monster, and either you find the cure, or it's off with your head! Put your keen powers of observation to work as you search 14 eye-popping locations for clues, perform tasks for a variety of comical characters, and solve over 100 cunning puzzles. If you enjoy original and exciting games, Elementary My Dear Majesty is for you!

This is a Demo - version, absolutely free. Please, follow here
