— \$39.99 — 30% off I purchased this app a few months ago and I love it. It's very well put together, the characters are interesting, there's a good variety of missions and it all happens in a beautiful world. It's not without flaws, however, such as the puzzles being very easy. Also, if you use a controller and the game uses touch controls, it can be annoying at times. I wouldn't recommend this app unless you're a big fan of the game or plan on buying the game eventually. As an expansion to the original Dishonored, Dishonored 2 is a one-of-a-kind action-RPG experience. You play as Corvo Attano, a betrayed former bodyguard with ties to the royal court. He'll take on the role of supernatural assassin as he tries to right his wrongs. Along the way, he'll face a vast new world and deadly new challenges. Gamers everywhere are going to want to jump into this unique and immersive world and take on the game's many challenges. Open the Black Gate, an ambitious new action-RPG from Arkane Studios,

follows the story of the Blackwater Company in the far-reaching region of Altara. Your goals are simple: defeat your enemies, earn treasure, and save the world. You'll start with a ship that's fully customizable, including a variety of weapons and components. If you're the kind of player who can handle RPG elements, then you're going to love this one. Welcome to The Flick: A Kid's Indie Games Review. Gamers who are looking for indie games that are accessible and fun to play are going to love this app. Every day, the Flick will take a look at one indie game that is published on a mobile device and explore whether or not it is worth picking up and playing. This review will focus on fun, if I find a game to be extremely enjoyable or incredible, then I will recommend it to you. That being said, I play a lot of games. So expect a lot of indie games to be played. All reviews are simply opinions based on my own experiences. Just six weeks after the PC release of Dying Light, Techland is back with a new installment: Dying Light: The Following. Gameplay-wise, Dying Light: The Following has 82157476af
